MARIGOLD® INDUSTRIAL CONTINUES TO KEEP CUSTOMERS UP TO DATE WITH E-NEWSLETTER

Keeping up to date with the latest news from Hand & Arm Protection (HAP) expert Marigold® Industrial has become easier thanks to the launch of the latest version of its e-newsletter.

Produced each quarter, HAP Review contains a range of news including company developments, market analysis, customer stories and new product information.

The latest issue provides the reader with information on a range of developments at the company including:

Expanded Nitrotough™ range – the unveiling of the N1500 PF and the N1500 PF VIZ in Orange and Yellow

Winter Gloves - advice on keeping working hands warm and safe this winter, highlighting thermal protection solutions from the Marigold® Industrial range

Nitrotough N1500 PF

Chemical Permeation Chart – profiling the launch of the new chart offering invaluable hand protection support ensuring workers are equipped with the right Hand and Arm Protection when working with chemicals, understanding breakthrough times

Glove Up – putting the launch of Marigold's brand new web game – Glove Up – in the spotlight, challenging readers to beat the clock and equip virtual staff with the right gloves for the job

Love your hands, we do™

To view the latest issue and subscribe to future issues visit our website and click on the 'Subscribe to Newsletter' button on the home page.

HAP Review is an easy way for glove procurers to keep up to date on the market, in addition to highlighting some of the latest products that are being introduced.
